

# Marine Heavy Helicopter Squadron 366

## Family Readiness

**Ms. Elaina Avalos, our Hammerhead Family Readiness Officer, and I would like to welcome you to our Hammerhead family. I would like to thank you for all you do to support your Marine or Sailor and this command. Your continued sacrifice does not go unnoticed; it is truly the greatest form of Patriotism.**

HMH-366 is more than just a helicopter squadron, ***we are a family***. Our family consists of our Marines, Sailors, their spouses and children, their parents, sisters, brothers and anyone that they consider part of their support network. This family is what allows all of us to be completely ready and prepared to meet the mission of defending our Country.

An essential component of our family is made up of our **Single Marines**. Our Single Marine Program is a critical part of our Family Readiness program and is vital to its success and our readiness. Thoughts, suggestions and recommendations for how to improve the Single Marine Program are encouraged and welcomed.

### **HMH-366 Family Readiness Program Priorities:**

1. Marines, Sailors and their family members are ready for deployment at a moment's notice.
2. Marines and Families are fully supported in order to deal with the challenges and rigors associated with the military lifestyle.
3. A high level of morale within our squadron and its families.
4. All family members are up to date on HMH-366 events and are knowledgeable on base and community resources.
5. Family members are engaged in our Family Readiness Program and are encouraged and given every opportunity to participate in HMH-366 family functions.

LtCol S. P. Silvia  
Commanding Officer, HMH-366
