

Hello Marine, Sailor, and Family Member,

On behalf of the HMH-461 Family Readiness Team, I would like to take this opportunity to welcome you to the Ironhorse Family. My name is Judy Robinson and I am your Family Readiness Officer (FRO). As the unit FRO, I am here to provide official communication, deployment/readiness support, information on resources/referrals and work with a robust and talented volunteers program. Please let me know if I can assist with your transition to the Ironhorse Family. I do not deploy so I am always available no matter where the Marines/Sailors of HMH-461 go in serving this nation. I hope that you are able to utilize the information that I provide. I have been placed in this position to help serve you so please contact if you ever have any questions or concerns.

The Jacksonville area is a great place to live and I will be providing you with information on local activities, events, resources, and opportunities. I communicate through email, the toll free information line, and Facebook. Information about each of these is provided below in my signature line. Please feel free to contact me with any question you may have; whether you need assistance with settling into the area, information on available resources, deployment related issues, or any other concerns that you may have.

Best Wishes and I look forward to working with you.
