

Welcome Aboard!

Samantha and I would like to take this opportunity to welcome you to the Sabers! We're very excited to have you and your Marine or Sailor "on board" as essential members of the unit. You are vitally important to this squadron and your support will be critical to the squadron's success.

I will do everything in my power to ensure you and your families receive the support you deserve. With that in mind, this command will communicate regularly to keep you advised of squadron activities and inform you of services and programs available to you and your family. Keeping those lines of communication open will be the direct responsibility of our squadron's full-time Family Readiness Officer (FRO), Ms. Tara Calbat. I'm very proud of our Family Readiness Program and we are very lucky to have Tara. I encourage you to get to know her as soon as possible.

I would also like to extend an invitation to you to assist Tara and participate in the squadron's Family Readiness Programs, if you desire. From time to time, the squadron will need volunteers to help with the planning and execution of squadron events. I realize that your time is precious, but if you would like to volunteer your talent and energy toward a squadron event we would greatly appreciate the help.

For any other issues that arise, please know my door is always open to our families. You can reach me at (910)449-4759, the Executive Officer, Major Erickson, at (910)449-4700, or SgtMaj Kennedy at (910)449-4655. You may also access the squadron toll-free number by calling (866) 242-0064 and pressing 6 then 9, or the HMLA-467 eMarine site at eMarine.org for information and updates.

Thank you for your service to our country and Corps as a spouse and family member. I fully recognize that you have the toughest job in the Marine Corps! The love and support you give your Marine or Sailor is what makes it possible for them to do their job effectively and safely, and is what ultimately allows us to accomplish our mission.

Again, welcome to the HMLA-467 family! Samantha and I look forward to meeting you in the very near future.

LtCol David B. Moore
Commanding Officer
